# THE UNIVERSITY OF IOWA

# STUDENT-ATHLETE ACADEMIC SERVICES TODAY'S HAWKEYES ARE TOMORROW'S LEADERS

### **INFORMATION GUIDE**

# **MISSION STATEMENT**

Academic Services staff assists student-athletes with making timely and satisfactory progress toward their degrees. This can include, but is not limited to, academic advisement, tutorial and instructional support as well as educational programming. The office works in collaboration with coaches, University staff, and various athletic personnel regarding student-athlete academic matters and ensures compliance with all institutional, National Collegiate Athletics Association (NCAA) and Big Ten Conference rules and regulations. The staff is dedicated to the success and development of Iowa student-athletes and encourages students to be active contributors to the campus community.

## UNIVERSITY OF IOWA ATHLETICS GERDIN ATHLETIC LEARNING CENTER (GALC)

UI's commitment to academic excellence received a tremendous boost with the completion of a \$6M renovation to the Gerdin Athletic Learning Center (GALC). The renovation project was an IDEA Educational Design Award Winner by the International Interior Design Association. GALC functions as a hub for student-athlete academic success at the University of Iowa. With over 28,000 square feet of space, the building is conveniently located near UI dormitories and practice facilities and serves as the home for overseeing the educational development and progress toward graduation for all student-athletes. The offices of the academic coordinators are centrally located within the building so students can efficiently meet to discuss schedules, tutoring or class performance. Natural sunlight pours through the three-story building along the entire west side, showing off the comfortable and open study areas. Several features serve to boost academic success for our Hawkeye athletes.

#### **VERSATILE SPACES**

The architectural and design features of the GALC encourage and facilitate the rigorous academic demands that a Big Ten institution requires. Studying styles, needs, and preferences vary widely among our Hawkeye student-athletes. As a result, the learning and collaboration spaces sprinkled throughout the modern three-level facility are diverse in layout and purpose. There is ample private space for focused study and collaboration rooms of all sizes throughout the building.

#### TECHNOLOGY

State-of-the-art upgrades and renovations to the GALC help our student-athletes efficiently "plug-in" to the world of higher education. Personal USB outlets dot the many modern ergonomically designed workstations throughout the building, allowing our students to stay connected anywhere, any device, any time. Hawkeye student-athletes benefit as the GALC is keeping pace with technological advancements needed to stay competitive in the classroom. The GALC has the tools and resources to help our students be successful.

#### **CLASSROOM SPACE**

Many of our student-athlete affinity groups (see page 10 for a list) use GALC classroom space for large group meetings, presentations and social gatherings. In addition, classroom space is ideal for compliance meetings, seminars, writing lab and tutoring sessions with higher attendance.

The Hawkeye Life program is an all-encompassing life skills and leadership development model which seeks to enhance the studentathlete experience at The University of Iowa. Hawkeye Life offers student-athletes educational opportunities beyond their athletic and academic responsibilities. The goal is to encourage student-athletes to get involved, to be good citizens, and to take an active role in their personal and professional development. The program has six pillars.

### LEADERSHIP

The Hawkeye Life Leadership pillar prepares student-athletes to be positive role models, active citizens, and successful professionals. Programs within this pillar pave a path for all student-athletes to grow leadership skills during and beyond their time at the University of Iowa.

Iowa Student-Athlete Advisory Committee (ISAAC)

ISAAC is a student-athlete leadership group acting as the voice of student-athletes within the department, campus, conference, and NCAA. The committee also facilitates and engages in various programs, social events, and community engagement activities.

#### Taylor Kane, Soccer ISAAC Co - President

"ISAAC allows student athletes to work collaboratively with other athletes and administration to positively impact the Iowa student athlete experience. Developing collaboration, professionalism, and creativity skills, are just some of the tools our athletes are able to learn and carry forward into their future careers."

#### Yohana Yual, Men's Cross Country ISAAC Co - President

"The value of being involved in ISAAC is huge because of the opportunities it presents for you to enhance your leadership skills and support your fellow student-athletes. Its importance is also shown through uplifting the community, planning meaningful events, and engaging in discussion that improves every student-athletes' Hawkeye experience."

### ISAAC STATS

- Paragram representatives from each team
- Executives
- At-Large spots available each year
- Meet once per month

#### PRIMARY ISAAC PROGRAMMING

- Welcome Week
- Professional Development
- Day of Caring
- Dance Marathon
- Golden Herkys Awards
- Community Engagement
- Big Ten Conference
  Collaboration

#### NCAA Civic Engagement

This conference-wide collaboration encourages individuals to take part in the electoral process. Priorities include encouraging studentathlete voter registration and becoming more civically engaged. In 2023, Hawkeye teams participated in various civic engagement activities including volunteering with area retirement communities, schools, and food pantries.

### MIDAMERICAN ENERGY COMPANY COMMUNITY ENGAGEMENT

The Mid-American Energy Community Engagement pillar seeks to enhance the growth and development of student-athletes to become Hawkeye leaders and productive citizens. Service is an important piece of the student-athlete experience. Student-athletes participate in community service projects throughout the academic year. These opportunities also promote student-athlete collaboration and support for one another.

200+ student-athletes volunteer at 20+ locations in the Iowa City Community

We work closely with SFCH through weekly Book Hawk Story Hours, Tuesday Teen Nights & Hawk Nights

Iowa Student-Athlete Advisory Committee raised over \$4,000 for University of Iowa Dance Marathon

Each year student-athletes build a haunted house for youth at the Neighborhood Centers of Johnson County

### ACADEMIC SUCCESS

The Hawkeye Life Academic Success pillar is dedicated to supporting the intellectual and personal growth of all student-athletes through the coordination of campus-wide initiatives that support the student-athletes' transition to the University of Iowa and enhance retention and graduation rates.

# Personalized Academic Support System (P.A.S.S.)

The PASS Program creates customized academic resources to meet the everchanging needs of our student-athletes. This system first identifies the academic needs of our students by building an academic profile based on a students' admissions criteria, various assessments, writing samples and other essential information. An individualized academic plan is then created to support the academic strengths and weaknesses of each student-athlete.

#### **Academic Support**

Free tutorial assistance is available to all student-athletes in most general education courses and select upper-level coursework. Sessions are conveniently located in the Gerdin Athletic Learning Center.

- Roughly 6,473 hours of individual/group tutoring
- Nearly 1,675 hours of individualized Learning Assistant support
- Over 27,000 hours of quiet study

#### Academic Support Initiative (ASI)

The ASI program is designed to foster a more inclusive and robust academic support system for a select group of students and has shown positive impacts on student growth since its launch in Spring 2021. Monthly meetings bring together parents and/or personal mentors, coaches, academic staff, and students to gain a better understanding of the student's educational background, academic strengths and weakness and current struggles.

- 10 student participants in Fall 2022
- 11 student participants in Spring 2023

#### Summer Bridge

Summer Bridge is a transitional 6-week program that introduces incoming studentathletes to the culture of higher education and help orient them to college life and connect them to campus resources.

#### Advising

Academic Coordinators conduct regular meetings with all student-athletes and hold monthly meetings with sports teams to keep students on track toward their degree program.

#### **ADVISING STATS**

- 86 number of majors Hawkeye student-athletes are enrolled in
- 2,727 hours spent advising studentathletes
- Top 5 majors for Hawkeye studentathletes:
  - Sport & Recreation Management
  - Exercise Science
  - Enterprise Leadership
  - Business
  - Human Physiology

#### ACADEMIC HIGHLIGHTS

- Dean's List: 340 recipients
- President's list: 37 recipients
- 283 Academic All-Big Ten recipients
- 83 Big Ten Distinguished Scholars
- 89% Graduation Success Rate
- 8 sports teams with a perfect APR score
- 218 PCA Medallion Winners

### CAREER DEVELOPMENT

Student-Athlete Academic Services (SAAS), in collaboration with campus career entities, is committed to ensuring student-athletes have direction during their academic studies and are prepared for careers after graduation. Student-athletes will participate in career readiness programing including, but not limited to career and major exploration, resume development, professional skill-building, networking, and experiential learning.

#### **Financial Literacy**

Highly informative and engaging workshops by a nationally-known consultant are presented to Hawkeyes so that they might take control of their finances and plan for financial freedom down the road. The sessions help students navigate the changing landscape of collegiate athletics and include topics such as financial planning, taxes and "Name, Image, Likeness" (NIL).

#### **Networking Night and Career Fairs**

Student-Athlete Academic Services hosts an athlete-specific tabling night every fall semester. Connecting @ Kinnick is designed for student-athletes to network with employers from nationally recognized companies to learn about career opportunities and internships. Graduate and Professional schools are also present for students to learn about advanced degree path application processes, test preparation, and admission requirements.

#### Hawks 2 Professionals (H2P) Job Shadowing

H2P is a program designed to connect our Hawkeye athletes with companies in the community. Through H2P, student-athletes have the opportunity to network, conduct informational interviews and shadow professionals in career paths of interest. Students attend workshop classes prior to their job shadowing experience and then connect with their assigned professional in the community.

#### Life After Sport Class - coming Spring 2025

This eight-week seminar course is designed to prepare student-athletes for transitioning out of college and into life after sport. Students will explore topics such as professional development, athlete identity, strength, conditioning, and nutrition in life after sport and post-graduate financial literacy. With a hands-on approach, participants will leave the class with a better understanding of how to navigate today's professional world.

### **HEALTH & WELL-BEING**

The Student-Athlete Academic Services office recognizes that student-athletes must focus on physical/ mental health and well-being in addition to academics and athletics in order to be successful. This includes nutrition, stress management, coping with injuries, alcohol and drug education, body image, etc. In collaboration with campus counseling services, and sports psychologists housed within Athletics, we aim to offer programs that address these specific needs.

# **my Playbook**

Hawkeye student-athletes complete the myPlaybook curriculum modules (Alcohol and Other Drugs, Sexual Assault & Violence Prevention, Mental Health Awareness, Upstander Intervention Training and Stress Management). Freshmen student-athletes attend a Healthy Relationship workshop conducted by the UI Sexual Violence Prevention team.

National Eating Disorders Association (NEDA) Week provides education for student-athletes and staff and features guest speakers and spreading messages of body positivity (i.e. writing on locker room mirrors or posting messages on locker room doors).

#### **De-Stress Fest**

During finals week in the fall and spring semesters SAAS offers various activities for stress relief and a study break. Ranging from therapy dogs, chair massages, snacks, board games, craft tables, coloring pages, and more! This is a chance for student-athletes to take a study break while setting them up for success on their final exams.

The Health and Well-Being Outreach Committee (HWOC) is comprised of subject-matter experts in key health areas such as sport psychology, mental health, and nutrition. The team provides UI student-athletes with education and programming on topics such as alcohol and drug education, stress management, sleep, mental and emotional well-being, and nutrition. It is the goal of the committee to serve as an interdisciplinary resource for coaches and student-athletes.

### **DIVERSITY & INCLUSION**

The Athletics Department seeks to cultivate a safe and accepting environment for all student-athletes regardless of gender, sexual orientation, race, or ethnicity. The Hawkeye Life program coordinates various programs that provide all student-athletes with opportunities to learn and understand cultures and communities that differ from their own. The programs also provide minority student-athletes with leadership, networking, and career development opportunities.

#### Lorenda Holston

Lorenda Holston was named Assistant AD, AOD for UI Athletics in August 2022. She is responsible for the implementation and assessment of diversity, equity, and inclusion initiatives for student-athletes, coaches, staff, and administrators. Priorities include oversight of the UI Athletics DEI Strategic Plan, ensuring that the strategic goals within the plan are in alignment with NCAA, Big Ten, and campus-wide diversity policies and practice, and assisting all Iowa student-athletes, with an emphasis on underrepresented students, with making a smooth transition into college and transition into being a global citizen.

#### **Experiential Learning**

We provide all our students with the opportunity to learn and understand identities, cultures, or communities different than their own through experience. Our students are encouraged to attend field trips during the summer months to engage with other student-athletes and industry professionals, at the NCAA & Big Ten level. These opportunities allow students to sharpen their skills to engage in civic discourse, community engagement, and career development.

#### **Multicultural Focus Groups**

The Multicultural Focus Group (MFG) serves to provide any student-athlete who has a passion for creating and maintaining an inclusive and welcoming environment and wants to expand their knowledge surrounding issues of diversity, equity, and inclusion. In this space students develop essential skills to be globally and culturally competent and are charged with assisting in the planning and coordinating of events that promote unity.

#### **MFG Subcommittees**

These subcommittees serve to encourage community, unity, and allyship through educational programming. Students who participate report an increased sense of belonging, confidence, and ability to impact change.

# UNIVERSITY OF IOWA ATHLETICS TOOLS FOR HAWKEYE SUCCESS

### TEAMWORKS

Teamworks (ACADEMICS) is a team management platform that allows teams to mass communicate, organize data, schedule effectively, track progress and streamline paperwork. This is the primary collaboration tool for all coaches and Hawkeye student-athletes and can be downloaded at any smart phone app store. The platform helps student-athletes navigate and adapt to the demanding schedule of a Division 1 athlete. Teamworks is a way for Hawkeyes to:

 $\cdot\,$  Coordinate schedules between practice, training, tutoring and travel.

- $\cdot\,$  Connect and engage with teammates and coaches.
- $\cdot\,$  Access athletic department resources at any time.

Teamworks (COMPLIANCE & RECRUITING) is another arm of the platform used by student-athletes, coaches, and athletics department staff members. Student-athletes may access forms related to NCAA Compliance Certification, summer school aid requests, complimentary ticket requests, and other resources through the Teamworks Hub.

### HELPER HELPER

Helper Helper is the premier volunteer and event platform for intercollegiate athletics. After downloading from a smart phone app store, the application connects student-athletes to event opportunities within the six pillars of the Hawkeye Life Program. The Hawkeye Life Challenge recognizes student-athletes who participate in our Hawkeye Life programs and events. There are three levels acknowledging students who participate in 10+, 25+ and 50+ hours of Hawkeye Life programming. Studentathletes can sign up for various opportunities and track their hours with this convenient app. Throughout your collegiate experience, the app can provide a detailed report of volunteerism, track a student's leadership activities and easily mobilize volunteers - capturing accurate data to include on a resume after graduation.
